A photograph of a classroom setting. A female teacher with her hair in a ponytail, wearing a blue and white striped short-sleeved shirt and dark pants, is leaning over a wooden desk. She is interacting with a young student in a green shirt who is sitting at the desk. Other students in orange and yellow shirts are visible in the background, some looking towards the teacher. The classroom has posters on the wall and a window with a grid pattern on the left. The overall lighting is warm and natural.
